Re: Cockfield Zone, Reservoir A
CLEAR CREEK FIELD
Beauregard Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **TURNKEY E&P CORPORATION** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Cockfield Zone, Reservoir A, in the Clear Creek Field, Beauregard Parish, Louisiana:

1. To establish rules and regulations and to create three (3) drilling and production units for the exploration for and production of oil and gas from the Cockfield Zone, Reservoir A, in the Clear Creek Field, Beauregard Parish, Louisiana, said proposed unit designated Cf RA SUA, Cf RA SUB and Cf RA SUC, all as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within each of the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate Turnkey E&P Corporation as operator of the proposed Cf RA SUA.
4. To designate its W. Cox No. 1 Well as unit well for the proposed Cf RA SUA at the location shown on the plat attached hereto, in exception to the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
5. To provide that any future substitute and/or alternate unit wells drilled to the Cockfield Zone, Reservoir A, within or outside each of the units created herein, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).
6. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics

April 20, 2007

of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

7. To consider such others matters as may be pertinent.

The Cockfield Zone, Reservoir A, in the Clear Creek Field, be and is hereby defined as being that oil and gas bearing zone encountered between the depths of 8,330 feet and 9,590 feet (electrical log measurements) in the Turnkey E&P Corporation – W. Cox No. 1 Well, located in Section 10, Township 6 South, Range 8 West, Beauregard Parish, Louisiana.

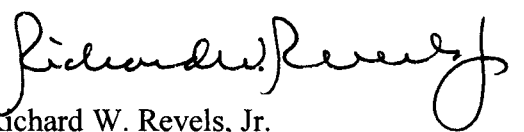

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux of Leon Comeaux & Associates, Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

Pursuant to the Rules of Procedure, a pre-application conference was held on April 16, 2007, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the units being requested. Questions were asked and answered. An operator representative presented larger stand-up units and a landowner representative presented a larger lay-down unit. Differences among the parties could not be resolved. The conference was then adjourned. Opposition at the hearing appears likely. Because the appropriate size of the units and the proposal for a zone definition may be issues in dispute, the applicant may present engineering and petrophysical testimony and exhibits at the hearing. Frank Cormier and Don Bazer have been retained for these purposes.

Attached hereto and made a part hereof are the plat outlining the applicant's proposal, the conference attendance list and the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting a copy. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
